

KESWICK HOLIDAY RALLY, 8 - 15 OCTOBER 2012

Dear Ralliers,

Thank you for your enquiry. The Rally is to be held on the Camping and Caravanning Club Keswick Site, situated on the northern shore of Derwentwater, just a few minutes' walk from the shops etc. (Map Ref: 89 - NY258234)

All pitches are hard standing with electric hook up and the usual facilities are provided including heated Toilet Blocks with free showers. During the rally we plan to have a meal out at a local hostelry, a family walk and an easy full day walk.

Local attractions include the Borrowdale Valley, Buttermere and Honister Pass with its Slate Quarry and Visitor Centre are all within reasonable driving distance. For the walkers amongst us the high fells are all around, with Walla Crag and (using the Ferry Boat) Cat Bells and the Newlands Round are all possible from the Site -paradise this isn't but it's awfully close.

Directions: From M6, Junction 40, follow the A66 for 13 miles (signposted Keswick/Workington). At the turn off 'Keswick/Windermere A591' - **STAY ON A66**. At the roundabout signed 'Keswick' (Left) - turn left. At the T-junction turn left to Keswick Town Centre. Turn right at next junction (signed The Lake and Borrowdale). In 200 yards bear right, and then bear right again signposted 'Caravan Site'. Then turn right just after the Rugby Club into narrow lane to the site (Watch out for the speed humps).
