

Young Achiever of the Year

The trophy has been awarded to the Centre in memory of Eddie Turner and will be presented to the Young Achiever of the Year.

Nominations are accepted from members of any Centre but not from parents of the child. The child must be 16 years old or younger on the closing date to be eligible for nomination.

As you look around the rally field is there a child that has gone above and beyond in helping somebody. If so, why not write a citation for that child explaining the reasons for your nomination. The citation is then to be enclosed with the nomination form.

Nominations must be received by the Secretary by 31st January 2022 and the envelope must have Eddie Turner award on the OUTSIDE of the envelope. The award will be presented on the Easter Rally. (in the event of an Easter Rally not taking place, this will be the rally closest to it)

Please note you can submit one nomination for each child per year, 1st February to 31st January. You can nominate more than one child going that extra mile on different rallies.
